

Bird Ringing Course Alte Kalköfen Lodge, Bethanie District, Namibia 5th – 12th February 2025 (or part thereof)

Learn how to set up nets, handle and extract birds, perform measurements, understand and describe moult, ring the birds and transcribe the data. This will happen during daily practical sessions with some theory in between. On the 8th February, we will pause the ringing activities to attend the opening of the First and Only Bird Observatory in Namibia

Accommodation is available in a shared farmhouse, or at the Lodge, either in luxury bungalows or individually facilitated camp sites. Meals will be provided. Pricing, depending on accommodation chosen, is between R805 – R1610 per person per day.

Please contact BirdObservatory.AKL@yahoo.com, for a booking, and to explore the available accommodation options. Note that the accommodation will fill up fast!
